

WILD HEARTS

ENVIRONMENTAL EDUCATION PROGRAM

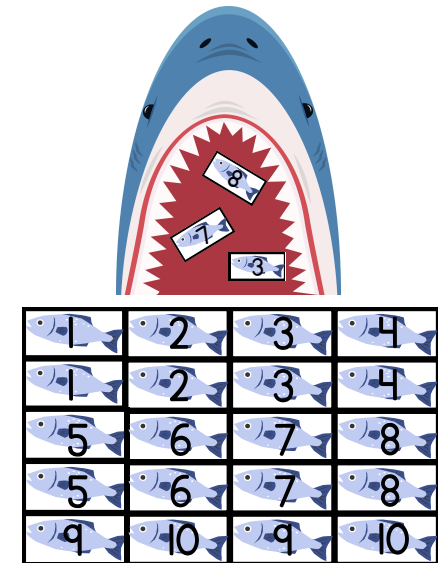

Term 1 Lesson 5: Shark Additional Activity

MADE BETTER *together*
FOUNDATION

Number Shark Game

Print, laminate and cut out around 4-6 "shark boards", as well as 2x copies of the "number fish". Give each child a shark board. While taking turns, ask the children to pick up a fish and to identify/ name the number on the card. If they get the number correct they can place the card into their sharks mouth. If the number is not correctly identified then they must put the fish back.
